

**THE LIST OF PARTICIPANTS**  
**VI International Conference**  
**«Current issues on industrial safety: from design to insurance»**  
June 10-11, 2008

- **Abrau-Dyurso (Russia)**

Rimma Rusakova – occupational safety engineer

- **Akron (Russia)**

Igor Likin – business development department engineer

Andrey Chernov – acting chief of in-process oversight

- **All-Russian oil exploration research institute (Russia)**

Elena Rogozina – senior researcher, academician of Russia’s Environmental academy, Ph.D.

- **Alvatex (Russia)**

Alexei Potanin – regional sales department director

Mikhail Silantiev – regional sales department manager

- **American Chemical Society (USA)**

Neal Langerman – chair of division of chemical health and safety

- **Angarsk Polymer Plant (Russia)**

Svetlana Mustafina – deputy engineering director, the head of industrial, environmental, and labor safety department

- **Antistikhiya center, Emergency Management Ministry (Russia)**

Elena Dmitrieva – section head of Antistikhiya center of EMM of Russia

- **Atyrau Intergaz Central Asia (Kazakhstan)**

Aysa Utepov – occupational and labor safety department head

- **AVISMA (Russia)**

Alexander Gavrikov – deputy director for industrial safety

- **Azot (Cherkassy, Ukraine)**

Lyubov’ Zinchenko – deputy director general for labor safety

*Искусство отличаться от других!*

**ГОРОДСКОЙ ЦЕНТР ЭКСПЕРТИЗ**

192102, Россия, Санкт-Петербург, Бухарестская ул., д. 6. Т./факс: (812) 334-5561, 334-5562, 334-5563, www. gce.ru, e-mail: gce@gce.ru

- **Balashikha smelter and foundry plant (Russia)**  
Rostislav Krasnotzvetov – chief of industrial safety bureau
- **Baltika brewery (Russia)**  
Viktor Gokinaev – deputy director for labor and industrial safety
- **Bashkortostan Republic petrochemical institute (Russia)**  
Vera Nepochatyh – head of industrial and occupational safety section of design department
- **Bashneftegeophysic (Russia)**  
Almaz Nasykhov – chief engineer
- **Belaruskalii Republican Unitary Enterprise (Belarus’)**  
Vladimir Kuchеров – deputy chief engineer, head of department of occupational safety, industrial safety, and mine rescue
- **Belinecomp, engineering and environmental center (Belarus’)**  
Vladimir Adamovich – deputy director
- **BP Exploration (Caspian Sea) (Azerbaijan)**  
Salekh Rza-zade – government relations department head
- **Capital Insurance (Russia)**  
Anton Safonov – expert, industrial insurance department  
Alexander Chuikov – head of industrial insurance department
- **Caspian Pipeline Consortium (Russia)**  
Sergey Mitin – deputy chief manager for occupational, industrial, and environmental safety  
Yuri Prokhorov – coordinator on issues of civil defense, emergencies, emergency response, and oil spill mitigation  
Alexander Soloviev – occupational, industrial, and environmental safety engineer
- **Chaikovsky textiles Textile Complex (Russia)**  
Vladimir Zabronya – project director  
Olga Orekhova – deputy project director
- **Committee for state management of emergencies and industrial safety (Kazakhstan)**  
Viktor Vesnin – deputy chairman Committee
- **Companhia Energetica de Minas Gerais (CEMIG, Brazil Power Company)**  
George Brandao – Chief of corporate risks department
- **Dnepropetrovsk national university of railways named after academician Lazaryan (Ukraine)**  
Viktor Rybkin – head of department of railway infrastructure, professor, Ph. D.
- **Dneprospetzstal Electric Metallurgy plant (Ukraine)**  
Vladimir Kovalevsky – deputy director general for labor and fire safety
- **EXONET AG (Austria)**  
Ludwig Seidl – director general and CEO  
Friedrich Jarosh – company representative

- **Experts Association of Bashkiria (Russia)**

Nail' Abdrakhmanov – director general

- **Federal Grid Company of Unified Energy System (Russia)**

Vladimir Buravtsov – head of territorial maintenance service

- **G.C.E. Company (Russia)**

Ilya Petukhov – lead expert

Natalia Alexeeva – lead expert

- **G.C.E. Group (Russia)**

Alexander Moskalenko – group president

Andrey Kamensky – group vice-president

Alexey Isakov – group director for science

Alexander Kaluhin – G.C.E. Group managing director for technical diagnostics

Vladimir Moskalenko – chief expert

- **Gazobezopasnost' (Gazprom) (Russia)**

Boris Dovbnya – director general

Ramis Tagiev – deputy director general

- **Gazprom processing (Russia)**

Vitaly Chudin – labor and industrial safety department head

- **Gazprom production Astrakhan' (Russia)**

Evgeny Rylov – deputy head, Directorate of industrial safety and technical oversight

- **Gazprom production Nadym (Russia)**

Andrey Velichkin – deputy head of engineering department

- **Gazprom transgaz Kuban' (Russia)**

Sergey Ivaschenko – director of engineering department for pipeline and distribution network operation

- **Gazprom transgaz St. Petersburg (Russia)**

Vladimir Morozov – chief of department for in-process oversight of industrial safety compliance of hazardous industrial facilities

- **Gazprom transgaz Surgut (Russia)**

Mikhail Gordy – deputy chief engineer, the head of directorate for labor and industrial safety

Zinaida Starostenko – senior engineer of industrial safety directorate

- **Gazprom transgaz Ugorsk (Russia)**

Sergey Korobtzov – lead engineer on labor and industrial safety

Dmitry Kosachev – engineering department head

- **Gazprom transgaz Ukhta (Russia)**

Alexander Nesterov – deputy chief, department of labor and industrial safety

Anatoly Yakovlev – chief engineer

- **Gazprom transgaz Ukhta, Sheksna segment Line Inspection and Maintenance of Trunk Pipelines (Russia)**

Andrey Voronin – deputy chief engineer for labor safety

- **Gazprom, Underground Gas Storage (Russia)**

Sergey Shilov – director general

Arkady Belousov – deputy director general

- **Gazpromenergo diagnostic (Russia)**

Roman Piksaikin – head of design department

- **Glavgosekspertiza, Main Expert Oversight Agency (Russia)**

Klavdia Kamenskaya – director of department of expert assessments in specialized fields

Vladimir Safroshkin – lead industrial safety expert

- **Government labor inspectorate of Vsevolozhsk district, Leningrad region (Russia)**

Vyacheslav Konnikov – director

- **Goznak, Federal Unitary Enterprise (Russia)**

Yulia Nikolaeva – acting head of department of industrial and fire safety

- **Heating plant 2 (Kaliningrad, Russia)**

Sergey Suprunovich – director of industrial and labor safety service

- **IBP (Brazilian Petroleum, Gas and Biofuels Institute)**

Luis Orlandi – director

- **“ILIM” Group (Russia)**

Andreev Andrey – director for labor safety and environmental issues

- **“ILIM” Group, Koryazhma city (Russia)**

Sergey Leznyakov – labor, industrial and environmental safety director

- **Institute for the study of hydrological and environmental issues, Far Eastern branch, Russian Academy of Sciences (Russia)**

Lyubov' Kondratieva – director of natural ecosystems microbiology lab, Ph.D., professor

- **Kachkanar mining and ore-processing complex Vanadium (Russia)**

Olga Dresvyannikova – head of the bureau for new capital construction preliminary development, department of capital construction and building rehabilitation

- **Karelian geologic survey service, State Unitary Enterprise (Russia)**

Ruslan Enikeev – director

- **Kazphosphate (Kazakhstan)**

Murat Onlansynov – director of railway transport

Leonid Frangulidi – director of Kazphosphate affiliate, Novodzhambul Phosphorus Plant

Boris Chernyshov – senior technical manager for labor and industrial safety

- **Krasnodar province Administration (Russia)**

Vasily Yakovenko – head of department for local government institutions cooperations

- **Krones (Germany)**

Nikolai Fischer – company representative

- **Kvantor, Engineering company (Russia)**  
Natalia Abramova – chief project engineer
- **Leningrad nuclear power plant (Russia)**  
Alexander Gribov – head of water supply department
- **LUKOIL – Permnefteorgsintez (Russia)**  
Komissarov Alexei – deputy chief engineer for industrial and environmental safety
- **Mary refinery (Russia)**  
Nina Muratova – deputy chief engineer for industrial and labor safety
- **Metachim (Russia)**  
Valentina Mishuchkova – deputy chief engineer for industrial and labor safety
- **Ministry of energy and industry (Tajikistan)**  
Makhmadsharif Khakdodov – Deputy Minister for power sector and industry
- **Mogilevkhimvolokno (Belarus’)**  
Natalia Khramtsova – head of department of industrial and labor safety
- **Mokhtineft (Russia)**  
Yuri Kolesnichenko – head of department of industrial and environmental safety  
Elena Scherbakova – lead engineer of department of industrial and environmental safety
- **Mondi Syktyvkar timber processing complex (Russia)**  
Sergey Kolotushkin – engineering service director  
Kuznetsov Alexander Vadimovich – deputy director general for industrial safety
- **Naftan (Belarus’)**  
Grigory Tzirkin – deputy chief engineer
- **National authority for control and approval of boilers, pressure vessels and hoisting equipment, Ministry of economy and finances (Romania)**  
Alexandru Silvester – chief government inspector  
Dan Aurel – deputy chief government inspector  
Minu Korneliu - deputy chief government inspector  
Marianu Radukanu - deputy chief government inspector  
Evgeny Trifan - deputy chief government inspector
- **Navoi mining and metallurgical complex (Uzbekistan)**  
Valerian Konovalov – deputy chief engineer for labor safety  
Viktor Taratynov – deputy chief engineer for industrial process and environmental safety of Central area mining directorate
- **Nokian Tyres (Russia)**  
Alexey Panyushkin – industrial and labor safety engineer
- **Novorossiisk transportation node enterprise (Russia)**  
Andrey Kovalenko – deputy director general for industrial safety  
Nina Petrashkevich – deputy director general for labor safety
- **Novoship company (Russia)**

Alexei Khaidukov – director of quality control department

- **Noyabrsky gas processing complex (Russia)**

Pavel Inozemtzev – deputy chief engineer

- **Office of Technical Inspection (regional department Cracow, Poland)**

Jan Shuro – head of Cracow regional department

- **Office of Technical Inspection (regional department Poznan, Poland)**

Andrey Zhukovsky – head of Poznan regional department

- **Philip Morris Izhora (Russia)**

Nikolai Alexeev – chief expert

Stanislav Fedorov – industrial safety engineer

- **Philip Morris Kuban' (Russia)**

Andrey Schelkovy – head of engineering systems operation service

Sergey Scherbina – equipment operation and maintenance engineer

- **Podzemgazprom (Russia)**

Alexander Vovkogon – deputy director of special projects department

- **Promatomnadzor (Belarus')**

Vladimir Gromyko – chief Counsel

Ivan Lazar' – chief of transportation of hazardous materials oversight directorate

- **Rinat (Russia)**

Sergey Korotchenko – director

- **Rostekhnadzor of Karelian Republic (Russia)**

Yuri Efimchenko – bureau director

Alexander Lekhto – deputy director

- **Rostekhnadzor of Khanty-Mansy Autonomous Region, Kogalym district (Russia)**

Sergey Rakhimov – chief state inspector

- **Russian Maritime Register of Shipping (Russia)**

Vyacheslav Ushakov – sector senior expert

Pavel Agapov – senior expert

- **Samara-Nafta (Russia)**

Igor Glumov – deputy head, department of industrial and labor safety

- **Sanoatkontekhnazorat, State Inspectorate of Uzbekistan Republic (Uzbekistan)**

Arif Yunusov – deputy chief of state inspectorate

Abduvasil Turabov – engineering department head

Nodira Karimova – deputy head, engineering department

- **Sayanskhimplast (Russia)**

Daniil Kogan – head of general project design department

- **Segezha paper-and-pulp mill (Russia)**

Vasily Mayorov – deputy chief engineer for environmental safety

- **Siberian santechproekt (Russia)**

Tatiana Bogomaz – chief industrial process engineer

- **Sibmetakhim (Russia)**

Nikolai Yaz'kov – special section expert

- **Slantzevo Cement plant, Tzesla (Russia)**

Anatoly Bilous – chief of environmental safety

- **SOGAZ (Russia)**

Andrey Samsonov – deputy director for oil and gas industries insurance

- **SOGAZ (St. Petersburg, Russia)**

Anna Vrublevskaya – head of department for insurance against maritime and air transport risks

- **Soligorsk tooling equipment plant (Russia)**

Valentina Labotzkaya – deputy chief engineer for labor and industrial safety

- **St. Petersburg State Engineering Institute (Russia)**

Alexander Afanasiev – faculty member, industrial safety department, Ph.D., professor

Andrey Mazur – chair of industrial safety department, professor, Ph.D.

Ivan Yankovsky – associate professor, industrial safety department, M.S., corresponding member of MANEB academy

- **St. Petersburg Vodokanal State Unitary Enterprise (Russia)**

Yuri Grebennik – director of department of labor safety, industrial safety, and in-process oversight

Marina Khalizova – insurance department director

- **Standards, metrology and technical supervision service (Moldova)**

Viktor Kuhal – deputy director general

- **State agency for industrial safety and mining oversight (Azerbaijan)**

Azer Mustafaev – director of department of regulations and legal support

- **State Committee on industrial safety, labor safety, and mining oversight (Ukraine)**

Pavel Voronchagin – director of “Diagnostics” engineering center in Kharkov

Viktor Grishin – director of Western region engineering and expert support center

- **Status, training and resource support center (Russia)**

Anna Bukhal – director

- **Tatoilgaz (Russia)**

Damir Garayev – head of department of industrial, labor, and environmental safety

- **Technoavia (Russia)**

Sergei Potrashkov – sales director

Semen Bogdanov – head of sales department

Petr Grikolov – active sales department head

- **Territorial generating company - 11 (Russia)**

Egor Shavshin – lead engineer

- **TNK-BP (Moscow, Russia)**

Irina Sarycheva – industrial, labor and environmental safety department manager of R&D business sector

- **TNK-BP (Nizhnevartovsk, Russia)**

Galina Gorbunova – head of department of labor and industrial safety

Almaz Sharafgaliev – environmental safety department head

- **Togliattiazot (Russia)**

Igor' Malov – in-process oversight engineer

- **Ukrainian research institute of fire safety, Emergency Management Ministry (Ukraine)**

Anatoly Antonov – senior researcher, M.S.

- **Unit Mark Pro (Russia)**

Yuri Polozov – head of Togliatti office

Maria Subaeva – director of industrial safety project, Moscow

Irina Uskoreva – head of St Petersburg office

- **United Generating Company - 3 (Russia)**

Konstantin Moskvina – head of department for operation and industrial safety

- **United Generating Company - 6 (Ryazan' Thermal Power Plant) (Russia)**

Valery Morozov – lead engineer for civil defense and emergency response

Alexander Sosov – head of industrial and labor safety service

- **Uzmetkombinat manufacturing and agricultural complex (Uzbekistan)**

Zakir Madmarov – deputy chief engineer for labor and process safety

- **VSMPO – AVISMA corporation (Russia)**

Pavel Fedorov – head of engineering support center

- **Vyksun metallurgical plant (Russia)**

Alexander Pivikov – head of industrial safety department

- **Yamal paramilitary well blowout suppression unit (Russia)**

Alexander Onischuk – chief engineer

Eduard Tzyunyak – commanding officer

- **YUZHNIIGIPROGAZ (Ukraine)**

Evgeny Kashtanov – senior industrial process expert

- **Zangezour copper and molybdenum complex (Armenia)**

Ashot Khachatryan – senior engineer on labor and occupational safety

## THE MEDIA

- **Berg-collegiya, magazine**

Alexander Agafonov – environmental issues editor

- **Expert-South, magazine**  
Sergei Kisin – columnist
- **Gas industry, magazine**  
Georgy Bosnyazky – correspondent
- **Industrial weekly, newspaper**  
Valery Stolnikov – editor-in-chief
- **Russia’s oil, magazine**  
Nikolai Antonov – science editor
- **RZD-partner, magazine**  
Viktor Yurasov – correspondent
- **Safeprom.ru, web portal**  
Ravil’ Galeev – director  
Alexander Ryabov – editor-in-chief
- **The Metallurgist, magazine**  
Olga Novoselova – editor-in-chief  
Elena Ivanova – deputy editor-in-chief
