**The Head of the Organization/  
The Head of the Marketing Department,**

**Dear Sirs,**

If you and your clients of the industrial corporate are interested in an auditorium of Chief Engineers, Managers and Professionals in Industrial Safety, Environmental, Occupational and Health Safety, then it is worth to read this letter to the end.

We invite you to take participation in the exhibition «HSE-Expo», to be held within the framework of the IX International Forum on Industrial Safety from 1 to 2 June, 2011 at the Hotel Park Inn Pribaltiyskaya (Str. Korablestroiteley, 14). The total exhibition area covers 180 sq.m.

Please note that the International Forum on Industrial Safety is the biggest event of the year among the Specialists in Industrial Safety of the enterprises, Chief Engineers, and Technical Directors. It is held with the support of the CIS Executive Committee and the United Nations Organization. Over the past few years the Forum was attended by the delegation of industrial corporate from 24 countries. Among them are representatives of industrial corporate: TNK-BP, Arcelor Mittal, Gazprom, RusHydro, Rosneft, IDC Holding, Rosenergoatom and many others.

In 2011, the Forum will be organized by GCE Group in partnership with the concern TUV Rheinland Group.

The cost of one square meter area amounts to RUR 6000 (including VAT): this includes wall panels along the perimeter of the stand, fascia panels, floor carpeting of the entire area of the stand (grey carpet); clothing hanging rack; waste bin, installation and dismantling.
